SCOTT MILLENER - BIOGRAPHY

Born in Hampshire, Parents moved to Crouch in 1985, schooled at Tunbridge Wells and Wrotham Sec , and have lived in the area ever since. I am a self employed local AC Engineer and high end Audio Visual installer.

CURRENT

I have been a member of Borough Green Parish Council since 2011, and a member of the BG Traffic Action Group since 2005, involved in the campaigns for Pedestrian Crossings and the A25/A227 Traffic Scheme. I sit on the Joint Skatepark Committee.

I am passionate about the local countryside, with a specific interest in controlling our sandpits and quarries, because of the traffic, air pollution and noise generated by their activities
