We would like to thank the following sponsors

We would also like to thank the various shopkeepers and home owners for allowing us to connect to their power supplies and all the generous organisations, shops and individuals who donate raffle prizes and Morgan's Garage- who transport Father Christmas.

We would especially like to thank the volunteers who work tirelessly throughout the year to maintain and erect the lights to make this such a special occasion.

We need more volunteers to help with the fundraising and maintenance, so if you feel you are able to assist please contact either Sandra on 01732 884336 or Margaret on 01732 884101
