Dear Brian

**RE: BOROUGH GREEN PARISH PLAN – ACTION PLAN**

I am pleased to enclose a copy of the above Report and trust it will be a useful tool with regards to future development/s within the parish of Borough Green.

The help you were able to give us when you attended our Vital Villages Exhibition in February was immeasurable and my Council much appreciated your giving up a Sunday morning to talk with both our residents and ourselves.

I believe the next few years are going to be interesting ones to my village in terms of what development might be allowed. Some suggestions for possible development in the centre of Borough Green would not necessarily be welcomed, but we will have to wait and see whether or not these suggestions become planning applications before getting “fired up”!

I hope you enjoy the read through of our Action Plan.

Kind regards,

Yours sincerely

Sue Murray
