

Having considered submissions from the parties, the views of the independent person and bearing in mind the need to impose reasonable and proportionate sanctions, we have decided to impose the following sanctions:

- We recommend that the Parish Council issue Cllr Taylor with a formal censure (for obstructing the headmaster)
- We shall be sending a formal letter to Cllr Taylor
- We shall publish our findings in respect of Cllr Taylor's conduct by publishing them on the TMBC website, by circulating them around the local press and by sending them to the clerk of Borough Green Parish Council and all members of Borough Green Parish Council

In imposing these sanctions we have had regard to the following factors:

- The fact that Cllr Taylor intended, by failing to move his van, that Mr Wright's car would be blocked in
- The impact on Mr Wright was that he was seriously inconvenienced and consequently became agitated
- The fact that Cllr Taylor does not accept fault for this breach and no apology has been given to anyone
- The fact that Cllr Taylor has previously breached the Code of Conduct

For avoidance of doubt we have not taken into account the outstanding complaint against Cllr Taylor.
